The IHJA believes that no one should be turned away because a class or division doesn't fill. We offer classes for all our points division at every recognized show. And we run them even if there is only one entry – your divisions are guaranteed to GO.

JUMPER CLASS INFORMATION

Warm up classes Pick any 7 jumps, no set time allowed: clear round blue ribbon. Available at each height, multiple trips allowed.

STAKE CLASSES The last class in each division will be a Stake Class – see prize list for more information.

GAMBLERS CHOICE - Entry Fee \$75

The Gamblers Choice will be set at 2'9 to 3'3. The Joker fence not to exceed 4'. Each fence will carry a point value from 20 to 100, based on difficulty. Riders choose their own course, to be executed within the 60 second time allowed. Each obstacle can be jumped twice, from either direction unless the obstacle has been knocked down. No penalties are assessed for knockdowns or refusals. Once the time allowed has expired, the rider must cross the finish line; this time will be used as a tiebreaker. At the conclusion of the round, the rider will have the option of jumping the "Joker" fence. Successfully clearing the Joker will add 200 points, but a knock-down or refusal will subtract 200 points from the rider's final score. Must have 6 entries to run, the class will be run as an add-back.
